Welcome to Lamar's 57th Annual Livestock Show & Auction

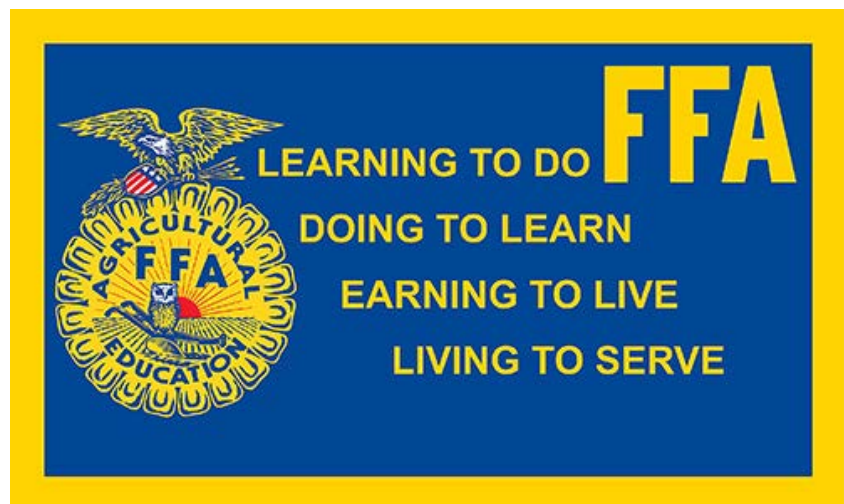

The Lamar FFA Chapter Members, Officers, Advisors, and the Lamar Booster Club would like to welcome all of our buyers, alumni, and guests. Your support allows us to continue this wonderful tradition and has gotten us to our 57th Annual Show & Auction.

We want to extend a special thanks to those of you who are returning to our Annual Auction; your continued support is deeply appreciated. To all of the past FFA Officers and Alumni, we welcome you back to the Lamar campus. We look forward to seeing you in the years to come. To those of you who are new to this program and event, welcome to the oldest FFA Chapter and Show in the city of Houston.

Take some time to visit our Silent Auction, animal projects, horticulture projects, and the fine FFA students of Mirabeau B. Lamar High School. Returning this year are the Creative Arts Show, Culinary Arts Show, and BBQ Scholarship Cook-Off.

We invite you to savor an outstanding lunch and register your bidder number at the buyer's sign-in table. Enjoy the live auction of the student projects, get your bidder numbers ready, and be prepared for a unique experience!

Thank you,
Lamar FFA

THANK YOU FOR ATTENDING LAMAR FFA's 56TH ANNUAL LIVESTOCK AND HORTICULTURE SHOW'S LUNCH AND AUCTION

The Lamar High School Chapter of FFA is a not-for-profit organization affiliated with the State of Texas and National FFA programs. Students taking part in the Livestock and Horticulture Show do so as a project of the Agricultural Science and Horticulture classes offered at Lamar High School. This year, students are raising a variety of animals including steers, heifers, swine, goats, sheep, broilers, and rabbits. As part of their class projects, students learn to care for, feed and groom their animals for competitive shows. Horticulture students have developed a variety of projects that include mixed planters, Bonsai's, epiphytes, plants from seed, plants from root cuttings and grafts and floral arrangements. Ms. Infante, Ms. Krause, and Ms. Ellis are the Lamar High School Agricultural Science Instructors and FFA Advisors.

Terms of Sale

After buying one or more animals, you have several options concerning the disposition of your purchase:

1. Have the animal processed for your own consumption by one of the processing companies contracted by the Lamar FFA. **It is the responsibility of the buyer to pay the processing charges.** The following companies have representatives here this afternoon:

Pete's Fine Meats
Mike Cruz
5509 Richmond Ave.
Houston, TX 77056
713-782-3470

Jackson's Custom Slaughter
Terry Jackson
818 E. Wallisville Rd.
Houston, TX 77562
713-502-8944

2. Keep the animal for oneself. **It is the responsibility of the buyer to have the animal removed from the school grounds immediately following the end of the auction.**
3. Private Treaty Agreement: This is an agreement/sale between the Buyer and student that the animal will be sold aside of the auction, (meaning the animal will not be auctioned off in the live auction) in a private agreement. **It is the responsibility of the buyer to have the animal removed from the show grounds immediately following the end of the auction.**

Please note that animals must be removed from the tent and school grounds on the day of the auction.

In the event that you choose to have the animal(s) processed, please note the following:

- Rabbits will be processed at the student's expense and will be delivered to you at your convenience.
- All other animals will be processed at your expense. Animals will be picked up after the auction for processing by the company of your choice. Please see the company representatives here today to make appropriate arrangements.
- Contact the meat processor to place packaging instructions and arrange pick-up of the processed meat.

All check payments are to be made payable to: Lamar High School (FFA)

Payment is expected the day of the auction.

THE FFA CREED

I believe in the future of agriculture, with a faith born not of words but of deeds—achievements won by the present and past generations of agriculturists; in the promise of better days through better ways, even as the better things we now enjoy have come to us from the struggles of former years.

I believe that to live and work on a good farm, or to be engaged in other agricultural pursuits, is pleasant as well as challenging; for I know the joys and discomforts of agricultural life and hold an inborn fondness for those associations which, even in hours of discouragement, I cannot deny.

I believe in leadership from ourselves and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and skill as I can secure, and in the ability of progressive agriculturists to serve our own and the public interest in producing and marketing the product of our toil.

I believe in less dependence on begging and more power in bargaining; in the life abundant and enough honest wealth to help make it so—for others as well as myself; in less need for charity and more of it when needed; in being happy myself and playing square with those whose happiness depends upon me.

I believe that American agriculture can and will hold true to the best traditions of our national life and that I can exert an influence in my home and community which will stand solid for my part in that inspiring task.

The creed was written by E.M. Tiffany, and adopted at the 3rd National Convention of the FFA. It was revised at the 38th Convention and the 63rd Convention.

Welcome to the 57th Annual Lamar FFA Livestock Show & Auction!

We are so thrilled to have you here to share this amazing, unique experience with our students! The Agriculture Department and the Lamar FFA sincerely thank you for your continuous support and interest in our program. We are proud to be the host of the oldest FFA Chapter and Livestock Show and Auction in Houston ISD.

Lamar students and active FFA members have been preparing for this moment all year long. Their hard work and effort have brought them this far. This year, the members have participated in various Leadership Development Events, Career Development Events, and have had various animal projects taken to major rodeos such as the Fort Worth, San Antonio, Austin, and Houston Livestock Shows. Students have been raising cattle, lambs, goats, pigs, rabbits, chickens, and horticulture projects. These events and projects have given our students the opportunities to exhibit their effort and determination. We have had one of the most successful group of FFA members and they continue to surprise us daily. It is with our utmost pride that we present you with our amazing students.

All of this would not be possible without the help of parents, volunteers, administrators, and Lamar staff. We would like to thank you all for everything you have done for this program and the opportunities you have provided our members with. As advisors, we are so blessed to be a part of such a great community of students, parents, administrators, and supporters of the Lamar FFA.

We hope the best to all of our students and wish our graduating seniors the best of luck in their future endeavors!

Sincerely,

The Lamar FFA Advisors

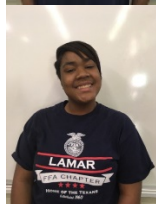

2016-2017 Student Biographies

Alfred Rodriguez is a junior at Lamar High School and is in his second year of FFA. He is also on the varsity football team. Last year he raised a pig and won grand champion for market pigs, and this year he is raising another pig. His name is Hercules, he hopes he will be as great as the one last year.

Ashleigh Arrington is a freshman. This is her first year in the FFA and has been raising a lamb for the Lamar Show. She plans to get another lamb next year. She also likes to hang out with her friends. Ashleigh enjoys walking her lamb and spending time with him.

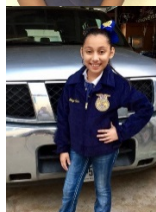

Ayana Grove is a 16 year old sophomore at Lamar High School. This is her second year in FFA and her second time showing marketing lambs. This year she is raising a lamb name "Marshal". So far she has enjoyed her time with Marshal and all of the people in FFA.

Cam Moseley is a sophomore this year. This is Cameron's second year in FFA. He raised a Lamb last year and won the Champion Lamb Showman. He is currently raising a lamb named Maverick, named after his favorite movie "Top Gun."

Courtney Ardoin is a freshman. This is Courtney's first year in the FFA. She is currently raising rabbits. Courtney loves to participate in FFA activities. She looks forward to the many years left to come in the FFA.

Daniella Amaya-Salinas is a member of Junior FFA and 10 years old. She will be showing her goat Pancho. The past year she has also shown and raised a steer. She plans to attend Texas Tech, Tarleton, or Texas A&M to pursue a career in Animal Science or Agricultural Education.

Faith Thruman will be attending Tarleton State University in the fall of 2017 and majoring in Animal Science. Her dream career is to be a large animal vet and work with livestock. She has spent all four years of high school in FFA. Through this program she has showed 2 rabbits (Reserved Champion), 1 lamb, and 1 goat, won Grand Champion in the BBQ Cook-Off 2016, and participated on the Vet Tech team each year. This last year she has proudly served as the Vice President of Lamar FFA's Chapter.

Hannah Stephens is sophomore. This is her second year as a member of the Lamar FFA chapter, with the privilege of being treasure for the 2016-2017 school year. Currently she is raising a lamb, Thomas Jay, as well as chickens. Last year, she was blessed with the title of Grand Champion Breeding Swine, as well as Grand Champion Meat Pen Rabbits, and was named Outstanding Chapter Member. Next year, she is planning on raising a goat, then a steer her senior year, so she can say that she has raised all the livestock animals offered at Lamar High School. She has the aspirations of studying in the agriculture field at Texas A&M University.

2016-2017 Student Biographies

Jade Johnson is currently a freshman. This is her first year in the FFA. She is currently raising a Lamb project. Jade enjoys walking, running, feeding, and bracing her lamb. She has been working on her showmanship skills.

Ja'kaylyn Ruffin is sophomore at Lamar High School. This is his second year in FFA and is showing a goat named Coco. His first year he raised meat rabbits and did a single fryer. He has always loved taking care of animals since he was little and want to be a veterinarian. He plans on going to A&M or LSU and getting a degree in Veterinary Medicine.

Jemea Guy is a junior, this is her third year in Lamar FFA. She has raised lambs in the past and this year she is going to raise a steer. She also participates in the Horse Judging CDE every year. She is currently taking classes in animal science and hopes to become a Veterinary Technician. During her free time, she loves to ride horses and participate in Barrel Racing and Roping.

Jimmy Guy is an 8th grader at Baines Middle School. This is his first year in Lamar Junior FFA. He is currently raising a lamb named Batman. He loves playing football, riding his horse and going to rodeos. He loves to spend time at the farm, working and fixing anything that is broken.

John Swieca is a freshman and has decided to raise and show a goat named Billy. He has big interest in becoming large animal veterinarian which is why he joined the FFA. He also races in motocross to help raise money to pay for feed and supplies for his goat. Next year he is planning on doing a heifer or steer for FFA which he thinks will be an extremely fun activity.

Jonathan Massey is currently a sophomore. This is his second year in the FFA. This year he is involved in the Lamar FFA Beekeeping Program and last year he raised and showed rabbits. He likes to lift weights, play the drums and bass, and sing. He is an active Boy Scout and is currently working towards gaining his Eagle Scout Rank. He also works at Camp Allen as a summer counselor.

Jonathan Amaya-Salinas is a junior. He raised a Lamb and Heifer project. He has also entered projects in the Horticulture, Floriculture as well as the Creative Arts contests. He is a member of the NHS, Band, Dance, NSHSS, a FFA District II Officer, and a National Representative Congress of Scientist and Technologists. He plans to attend Texas A&M, Tarleton, or Texas Tech to pursue a career in Animal Science or Veterinary Science.

Kaitlyn Adams is fifteen years old, and in the tenth grade. This is her second year in FFA. She placed first in the Horticulture division last year. This year she is participating in Horticulture, Floriculture, and Creative Arts. She enjoys working in the greenhouse, and working in the Monarch Habitat at the barn. She plans to get a lamb next year.

2016-2017 Student Biographies

Kamryn Ware is a sophomore and has been an active member in FFA for two years. She raised two rabbits last year. She has placed in the Junior Prepared Speaking Contest at the District FFA Competition. Kamryn wants to get a lamb next year. She enjoys competing in speaking contests and baking goods.

Karina Rodriguez is a Junior and has been in FFA for 2 years. This year she raised 2 lambs, Major and Melvin. Last year she raised a goat named Jim and placed 4th in the Lamar FFA show. She also got to participate in the Fort Worth Stock show this year. She wants to be a veterinarian when she graduates College.

Krysta Johnson is a senior, this her third year in FFA and her first time raising and showing an animal. She is raising a goat named "Riley". She has enjoyed her time in FFA with her animal and her friends. Along with FFA, she has spent all four years in the JROTC program starting off as a Squad Leader and working her way up to a Platoon Leader. She is also one of the Captains for the Lamar Band Color Guard team. She plans on attending Prairie View A&M University in the fall of 2017 and become a Veterinarian.

Krystal Gonzales is a freshman. This is her first year in the FFA. Aside from the FFA, Krystal also plays for the Lamar Softball team. She is currently raising rabbits. Krystal enjoys spending time with her friends and looks forward to making many more in her time in the FFA.

Marco Salazar is a senior and in his 6th year in the FFA. He is serving as this year's FFA President. He has raised a total of 7 pigs, ranging from Reserve Champions to Grand Champions. He also raised a Cow-Calf Hereford Pair which won 1st place at the Houston Livestock Show & Rodeo. He is currently raising his steer, Clyde, which was the product of his Scramble Heifer project. He plans to attend Tarleton State University and pursue a career in Agricultural Education.

Mary Leath is freshman, she has been raising a Duroc pig, Annie, since November. This is her first year in FFA, but Mary has already made many friends and has had great experiences so far. In her spare time, she enjoys fostering animals through the Houston SPCA and pet sitting for friends and family. Mary is looking forward to her future years in the FFA Organization, and is planning on raising a goat her sophomore year.

Mickela Perry is currently a sophomore. This is her second year in FFA, but her first year raising an animal project. She is raising a Duroc pig. She has always been passionate towards animals but, in the future she hopes to pursue a career in Geoscience. Her passion for Geoscience occurred in 2014 when she discovered the group GeoFORCE.

Mya Moffett is a freshman, she is showing a pig this year. Other things she does outside of being in FFA and taking care of my animals would include, track and field events such as shot-put, discus and others. She has been to the junior Olympics 3 times.

2016-2017 Student Biographies

Mylan Gonzales is a sophomore, and this will be her second year of being in the FFA. Last year she had the honor of being a Greenhand officer. She loves raising longhorns outside of FFA, but sadly she can't show them. For her first year of FFA she had a Goat, and two rabbits, but this year she intends to show 4 rabbits. She will continue to be in Lamar FFA for the rest of her years here.

Rebekah Stephens is a freshman and currently a Greenhand officer this year and is raising a goat named Merrill that is just as crazy as her. Next year she plans on raising another goat like her sister, Hannah Stephens. She also plans on attending Texas A&M University and most likely continue pursuing the agricultural field. Rebekah is a hardworking student in school and at the barn, keeping up all of her grades and taking care of Merrill. Merrill likes hopping tables and running around his pen keeping, Rebekah busy all the time.

Sky Chaidez is a sophomore. This is her second year in FFA. This year she is showing chickens, raising them from chicks. She raised an Aloe Vera plant last year. She is in FFA because she has a passion for animals and wants to have the experience of the auction and selling her animal.

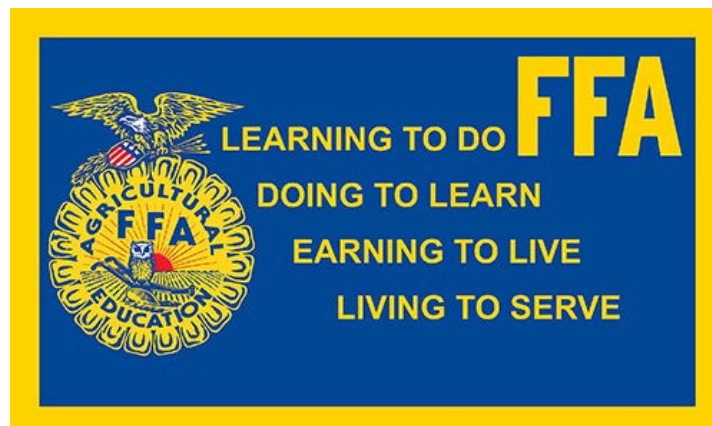

Tajhaun (TJ) Price is a sophomore, this is his second year as a member of FFA. He is currently raising a Hampshire Pig, named Oreo Bacon. In his first year as a member of the Lamar FFA Chapter he raised rabbits. Next year he is planning on raising another breed of pig and a steer. He hopes to study engineering at The University of Texas at Austin.

Whitney Clark is a freshman, this is her first year in the FFA. She is currently raising bunnies as her first project. Whitney describes herself as an entrepreneur, when she was in the 6th grade, she owned her own business where she sold her cookies and cold brew coffee at the Rice Farmer's Market.

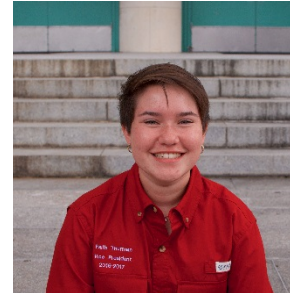

Zari Hodayun is a sophomore in her second year as a member of the Lamar FFA chapter. She is currently raising a pen of Meat Rabbits. Last year she participated in a floral design project and show cased it in the 56th Annual Lamar Show. Next year, she is planning on raising chickens. She participates in Cheerleading and is also in the Best Buddies club. She loves to spend time with friends, and also goes to summer camp in the summer along with traveling all over the world.
