# **WELCOME TO LAMAR'S 58<sup>TH</sup> ANNUAL LIVESTOCK SHOW & AUCTION**

The Lamar FFA Chapter Members, Officers, Advisors, and the Lamar Booster Club would like to welcome all of our buyers, alumni, and guests. Your support allows us to continue this wonderful tradition and has gotten us to our 58th Annual Show & Auction.

We want to extend a special thanks to those of you who are returning to our Annual Auction; your continued support is deeply appreciated. To all of the past FFA Officers and Alumni, we welcome you back to the Lamar campus. We look forward to seeing you in the years to come. To those of you who are new to this program and event, welcome to the oldest FFA Chapter and Show in the city of Houston.

Take some time to visit our Silent Auction, animal projects, horticulture projects, and the fine FFA students of Mirabeau B. Lamar High School. Returning this year are the Creative Arts Show, Culinary Arts Show, and BBQ Scholarship Cook-Off.

We invite you to savor an outstanding lunch and register your bidder number at the buyer's sign-in table. Enjoy the live auction of the student projects, get your bidder numbers ready, and be prepared for a unique experience!

Thank you,  
Lamar FFA

# **THANK YOU FOR ATTENDING LAMAR FFA's 58TH ANNUAL LIVESTOCK AND HORTICULTURE SHOW'S LUNCH AND AUCTION**

The Lamar High School Chapter of FFA is a not-for-profit organization affiliated with the State of Texas and National FFA programs. Students taking part in the Livestock and Horticulture Show do so as a project of the Agricultural Science and Horticulture classes offered at Lamar High School. This year, students are raising a variety of animals including steers, heifers, swine, goats, sheep, broilers, and rabbits. As part of their class projects, students learn to care for, feed and groom their animals for competitive shows. Horticulture students have developed a variety of projects that include mixed planters, Bonsai's, epiphytes, plants from seed, plants from root cuttings and grafts and floral arrangements. Ms. Infante, Ms. Krause, and Ms. Ellis are the Lamar High School Agricultural Science Instructors and FFA Advisors.

## Terms of Sale

After buying one or more animals, you have several options concerning the disposition of your purchase:

1. Have the animal processed for your own consumption by one of the processing companies contracted by the Lamar FFA. **It is the responsibility of the buyer to pay the processing charges.** The following companies have representatives here this afternoon:

**Pete's Fine Meats**  
**Mike Cruz**  
**5509 Richmond Ave.**  
**Houston, TX 77056**  
**713-782-3470**

**Terry Jackson**  
**818 E. Wallisville Rd.**  
**Houston, TX 77562**  
**713-502-8944**

**NEW!!**

2. Keep the animal for oneself. **It is the responsibility of the buyer to have the animal removed from the school grounds immediately following the end of the auction.**
3. Private Treaty Agreement: This is an agreement/sale between the Buyer and student that the animal will be sold aside of the auction, (meaning the animal will not be auctioned off in the live auction) in a private agreement. **The Buyer must make payment to "Lamar Athletic Booster Club-FFA." It is the responsibility of the buyer to have the animal removed from the show grounds immediately following the end of the auction.**

***Please note that animals must be removed from the tent and school grounds on the day of the auction.***

In the event that you choose to have the animal(s) processed, please note the following:

- Rabbits will be processed at the student's expense and will be delivered to you at your convenience.
- All other animals will be processed at your expense. Animals will be picked up after the auction for processing by the company of your choice. Please see the company representatives here today to make appropriate arrangements.
- Contact the meat processor to place packaging instructions and arrange pick-up of the processed meat.

***All check payments are to be made payable to: Lamar High School (FFA)***

**Payment is expected the day of the auction.**

# THE FFA CREED

I believe in the future of agriculture, with a faith born not of words but of deeds—achievements won by the present and past generations of agriculturists; in the promise of better days through better ways, even as the better things we now enjoy have come to us from the struggles of former years.

I believe that to live and work on a good farm, or to be engaged in other agricultural pursuits, is pleasant as well as challenging; for I know the joys and discomforts of agricultural life and hold an inborn fondness for those associations which, even in hours of discouragement, I cannot deny.

I believe in leadership from ourselves and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and skill as I can secure, and in the ability of progressive agriculturists to serve our own and the public interest in producing and marketing the product of our toil.

I believe in less dependence on begging and more power in bargaining; in the life abundant and enough honest wealth to help make it so—for others as well as myself; in less need for charity and more of it when needed; in being happy myself and playing square with those whose happiness depends upon me.

I believe that American agriculture can and will hold true to the best traditions of our national life and that I can exert an influence in my home and community which will stand solid for my part in that inspiring task.

*The creed was written by E.M. Tiffany, and adopted at the 3rd National Convention of the FFA. It was revised at the 38th Convention and the 63rd Convention.*

## **Welcome to the 58th Annual Lamar FFA Livestock Show & Auction!**

We are so thrilled to have you here to share this amazing, unique experience with our students! The Agriculture Department and the Lamar FFA sincerely thank you for your continuous support and interest in our program. We are proud to be the host of the oldest FFA Chapter and Livestock Show and Auction in Houston ISD.

Lamar students and active FFA members have been preparing for this moment all year long. Their hard work and effort have brought them this far. This year, the members have participated in various Leadership Development Events, Career Development Events, and have had various animal projects taken to major rodeos such as the Fort Worth, San Antonio, Austin, and Houston Livestock Shows. Students have been raising cattle, lambs, goats, pigs, rabbits, chickens, and horticulture projects. These events and projects have given our students the opportunities to exhibit their effort and determination. We have had one of the most successful group of FFA members and they continue to surprise us daily. It is with our utmost pride that we present you with our amazing students.

All of this would not be possible without the help of parents, volunteers, administrators, and Lamar staff. We would like to thank you all for everything you have done for this program and the opportunities you have provided our members with. As advisors, we are so blessed to be a part of such a great community of students, parents, administrators, and supporters of the Lamar FFA.

We hope the best to all of our students and wish our graduating seniors the best of luck in their future endeavors!

Sincerely,

The Lamar FFA Advisors- Elisa Infante, Kaylin Lawrence, & Danielle Ellis

# Way to go

W h i t n e y l

Kaitlyn...

I am so proud of you and all that you have done.

You are growing into such a beautiful young lady.

I can't wait to see what you do in the future.

Keep your head on straight and stay positive.

Love you so much, Aunt Eddie.

What can I say?

You're a genius and you are extraordinary.

You're gonna go so far in life.

Stay positive and keep up the good work.

Love you, Dad

Madison – Good luck with your rabbits.  
I hope this is a great experience for you!  
-Destiny

I have watched you grow up into a beautiful girl, inside and out.

I am beyond proud of you for all that you have accomplished.

and I look forward to what you will do in the future.

I love you more than you will ever know, Mom

BEFORE SEPTEMBER 31, 2018, CAN APPLY.<sup>2</sup>***

Universal Technical Institute is committed to serving our local communities, and when tragedy strikes, we act. The devastation caused by Hurricane Harvey in August 2017 didn't harm just the immediate well-being of Texas residents but also affected the ability of many to build a stable future. That's why we want to help Texans learn valuable skills to prepare for careers that are in demand.<sup>3</sup>

While a total of 50 scholarships will be awarded to enrolled students who lived in Texas on August 25, 2017 — the date that the hurricane made land-fall — the scholarship can be applied to fees and tuition for programs offered at most UTI campuses, not just those in Texas.

Applying for a scholarship is easy. Simply complete the FY18 UTI Hurricane Harvey Relief Scholarship Program form and submit it to the UTI Scholarship Department along with a short essay describing how your life was affected by the hurricane. Scholarships will not be awarded based on need but rather to students who meet UTI admissions and residency requirements.

Apply for this scholarship to help you gain skills that are in demand.

For additional information or a scholarship application form, contact your Admissions Representative or visit [www.uti.edu/scholarships](http://www.uti.edu/scholarships).

***GET THERE. FASTER. SMARTER.***

<sup>1</sup> Financial aid and scholarships are available to those who qualify. Awards vary due to specific conditions, criteria and state.

<sup>2</sup> This program is not available to any student attending the Exton, PA campus of UTI due to state regulations. TechForce Foundation offers Exton, PA Campus Tuition Scholarships for students planning to attend the Exton, PA campus. Information is available at [www.techforcefoundation.org](http://www.techforcefoundation.org).

<sup>3</sup> UTI cannot guarantee employment or salary.

For important information about the educational debt, earnings and completion rates of students who attended this program, visit our website at [www.uti.edu/disclosures](http://www.uti.edu/disclosures).
